You Can Do It!
Resilience.
Resilience is about being able to ‘bounce back’ when faced with challenges.
It means:
• being able to calm down in a reasonable amount of time when very upset, and being able to bound back to work or play
Students are resilient when they:
• don’t get extremely angry, worried, or down when someone is mean or acts unfairly
• don’t fight or stay away from people for too long

Positions Vacant:
The P&C has volunteer positions available for:
• President
• Secretary
• Fund Raising Co-ordinator
If you are interested in filling any of these positions please contact Mrs Baker or Heather Hottes.

Conductive Hearing Loss (CHL)

If there is a problem in the outer or middle part of the ears, this affects the way sound is carried, or conducted, through to the inner ear and the rest of the auditory system.

Thought for the week

I am a good sport,
I follow the rules,
take turns and play fair.

Year 1 Family Tree Projects

Thank you to all Year 1 Parents and Grandparents who supported your children, by completing their projects.
They found it to be a wonderful experience.
All family trees are on display in the hall and in the foyer at the school office.
Thanks for your assistance
